### Hours of Operation

You may drop off/pick up your dog(s) any time between 7:00 am & 6:00 pm Monday through Friday. Additional hours require 24-hour notice, and will be subject to additional fees at the discretion of New England Canine.

## Boarding

Boarding is available by reservation only. We prefer a 24-hour notice, but we are always willing to accommodate our clients in different circumstances. Fees for boarding are as previously discussed with New England Canine. Any and all fees are due upon arrival to the facility. Food MUST BE PROVIDED by the owner. The duration of your pets stay is limited to the time specified. Failure to comply with specified date and time arrangements will result in additional fees at the discretion of New England Canine.

## Training

If your dog is enrolled at New England Canine for training, please understand that all training sessions are private, meaning we do not offer group trainings. We believe that the relationship between trainer, owner, and dog is important to establish trust - This ensures proven results.

## Pick up/Drop-Off Services

This service is available upon request. Prices vary depending on location.

## Emergency/Medical Treatment Authorization

I understand and agree that if the need arises, and time is of the essence, medical treatment for my pet will be provided by the doctor(s) and staff at the closest animal hospital, **Massachusetts Veterinary Referral Hospital**, located at 20 Cabot Road in Woburn, and I agree to pay all costs associated with such treatment. I authorize the owners and staff of New England Canine to seek necessary treatment for my pet(s). I understand that someone from New England Canine will attempt to notify me at the phone number(s) I provide and that if I, or my emergency contact, cannot be reached in a reasonable amount of time, **I authorize the doctor of this facility to make all medical decisions for my pet.** In the unlikely event of my pet(s) death, I understand that my pet's remains will be preserved and kept on the premise until my return; at which time I will be provided all of my options and additional costs for proper disposal and burial.

## Group Play Consent

I understand that during playtime my dog will be playing in a group with other dogs. Although the staff of New England Canine will closely supervise, **I understand and accept that play behavior, unknown or undocumented aggression, or participation in routine daily activities can lead to altercation or injuries (including, but not limited to, puncture wounds, scratches, and sprains).** I further understand that if my dog(s) is injured during play time, **I willingly assume all risks of and responsibility for the costs (including but not limited to, professional fees, medications, and diagnostics) to treat any injuries** my dog(s) sustain while in Day Care at New England Canine. I further understand and accept that the owners and staff of New England Canine will not be held liable for any injuries or death sustained by my dog while under their care. New England Canine will take any and all necessary steps to prevent such occurrences.

## COMMUNICABLE DISEASE ACKNOWLEDGMENT

I understand that while New England Canine takes all reasonable steps to avoid communicable diseases, there is still a risk of acquiring a communicable disease while in Day Care/Boarding. In the event my pet(s) contract(s) such a disease while boarding, I assume all the risks and accept the responsibility for the costs of all treatments. I further agree to hold the owners and staff of New England Canine harmless from expenses incurred for such treatment.

**My dog is vaccinated and therefore not at risk for any communicable diseases. THIS IS FALSE.**

A Communicable Disease is any illness that dogs contract when they commune together. Some common examples are kennel cough, conjunctivitis, and herpes (a.k.a mouth warts). You assume the same risks when you take your dog to day care as you would by taking your children to school. Sometimes, they just get sick! Kennel Cough is one of the most common illnesses that dogs contract. While there is a vaccine for kennel cough, it is similar to a human flu vaccine in that it does not protect against every strain of kennel cough that is out there. There are many different strains of kennel cough. Even if your dog is vaccinated, there is still a small risk of them contracting this illness. At that point, your pet must not attend day care for a

minimum period of 36 hours. New England Canine assumes the responsibility of sanitizing and cleaning the facility, and making sure it is safe for your pet(s) to return, including denying your pet(s) admittance to the facility.

### **HEALTH & PERSONALITY ACKNOWLEDGEMENT**

I verify that the pet(s) on this contract is/are in good health and to my knowledge has/have not shown any clinical signs of any Sickness or communicable disease/parasite within the last 14 days. Any and all personality concerns I have regarding my pet(s) has/have been addressed above and discussed with the staff of New England Canine.

### **VACCINATION REQUIREMENTS**

I verify that my pet(s) have been vaccinated by a veterinarian and are up to date on the following vaccines: 1 or 3 year Distemper/Parvo; 1 or 3 year Rabies; and Bordetella (kennel cough). **If proof is not provided or vaccines are expired, I understand that my pet(s) will not be allowed back to the facility until I provide written proof of vaccinations.** Please understand that this is solely for the safety of all dogs that attend New England Canine.
